THE RETURN OF PUDGY PIG!

Officially for charity, everyone knew the Pizza Eating Contest was a grudge match. Bulk already held the Youth Centre record for eating the most hot dogs but this was the one he *really* wanted.

"You're up against some stiff competition, man," Aisha told Rocky.

"Yes, where is Bulk?" asked Adam.

Skull sneered. "Don't worry, dweebs. He'll be here!"

Lord Zedd watched from his balcony. "The Power Brats are always gluttons for punishment. This is the perfect opportunity to send them to their doom!" he announced. He zoomed his telescopic gaze in on Bulk, striding towards the Youth Centre, going through some warm-up exercises for his jaw with a slice of cold pizza. "Their classmate shall serve as bait for a trap, but to make sure they bite I'll send down Pudgy Pig in disguise, to lure them into it!"

"But Master, Pudgy Pig!? Are you sure?" queried Goldar. Pudgy Pig had been a half-baked idea even when Rita first thought him up.

"Silence! I have spoken!" boomed Lord Zedd.

So, back on Earth, a posse of Putties pounced on Bulk. He was bundled up, hauled off to a cave and held hostage.

At the same time Bulk arrived at the Youth Centre to take his place at the competition table opposite Rocky. Ernie barely had time to blow his whistle before Bulk gathered the whole pile of pizzas up in his arms and thrust his face into them with a wet, satisfied snuffle. As he did so, his true nature was revealed.

"Pudgy Pig!" gasped Kimberly. The crowd screamed and ran for the exits. Pudgy Pig gave a triumphant snort and vanished in a flash of light.

"But if that was Pudgy Pig in disguise, where's the real Bulk?" asked Billy.

"I don't know, but I smell a trap," said Adam.

"It's Morphin Time!!" declared Tommy.

"Tigerzord!"

"Mastodon!"

"Pterodactyl!"

"Triceratops!"

"Sabertooth Tiger!"

"Tyrannosaurus!"

With a burst of multi-coloured energy they transformed into the **Mighty Morphin Power Rangers.**

"Spread out," ordered the Red Ranger. "See if we can find any clues as to Bulk's whereabouts."

It was the Black Ranger who found the trail of pizza crumbs.

"Anchovy, pepperoni and marshmallow. Bulk's favourite!" confirmed the Yellow Ranger. The trail led to a cave guarded by a Putty Patrol and Pudgy Pig!

"You're mine, Rangers!" he snarled. A porky power blast from his combat cutlery sent the Rangers reeling.

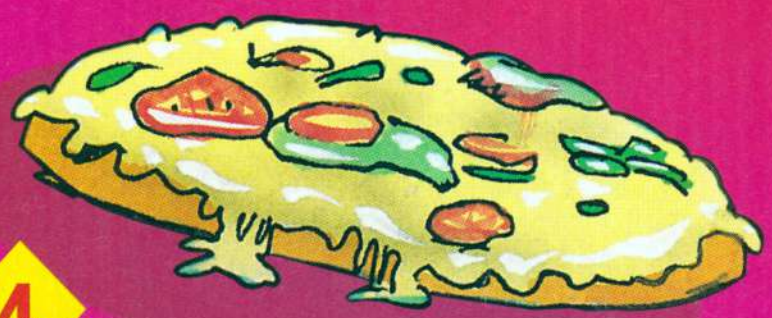
"Another blast like that and I'll have you done to a turn! I'll hand you to Lord Zedd on a plate!" boasted Pudgy.

But Lord Zedd was growing impatient. He hurled one of his sorcerous spheres to earth. "Grow!" he growled. The sphere broke with a flash of energy and Pudgy Pig grew to giant size, towering over the Power Rangers.

"I think it's time we gave the Zords a slice of the action!" said the Red Ranger.

"You said a mouthful there," agreed the Black Ranger.

They summoned their fighting vehicles and leapt aboard. Red Dragon Thunderzord twisted and rotated in the air as it converted to Warrior Mode.



The other Thunderzords unfolded as Red Dragon Thunderzord stepped into position. Docking clamps locked down as the giant Warrior was encased in Zord armour. Where there were five, there was now only one.

"Thunder Megazord sequence complete," acknowledged the Red Ranger from the Megazord's Command Deck.

Pudgy Pig lashed out with his Combat Cutlery. Thunder Megazord picked up a large boulder and heaved it at the Pig, but he just opened his mouth and swallowed it. Whole.

The Putties by the cave chattered with excitement as Pudgy lunged with his Battle Fork.

Megazord sidestepped, leaving Pudgy to crash into a cliff.

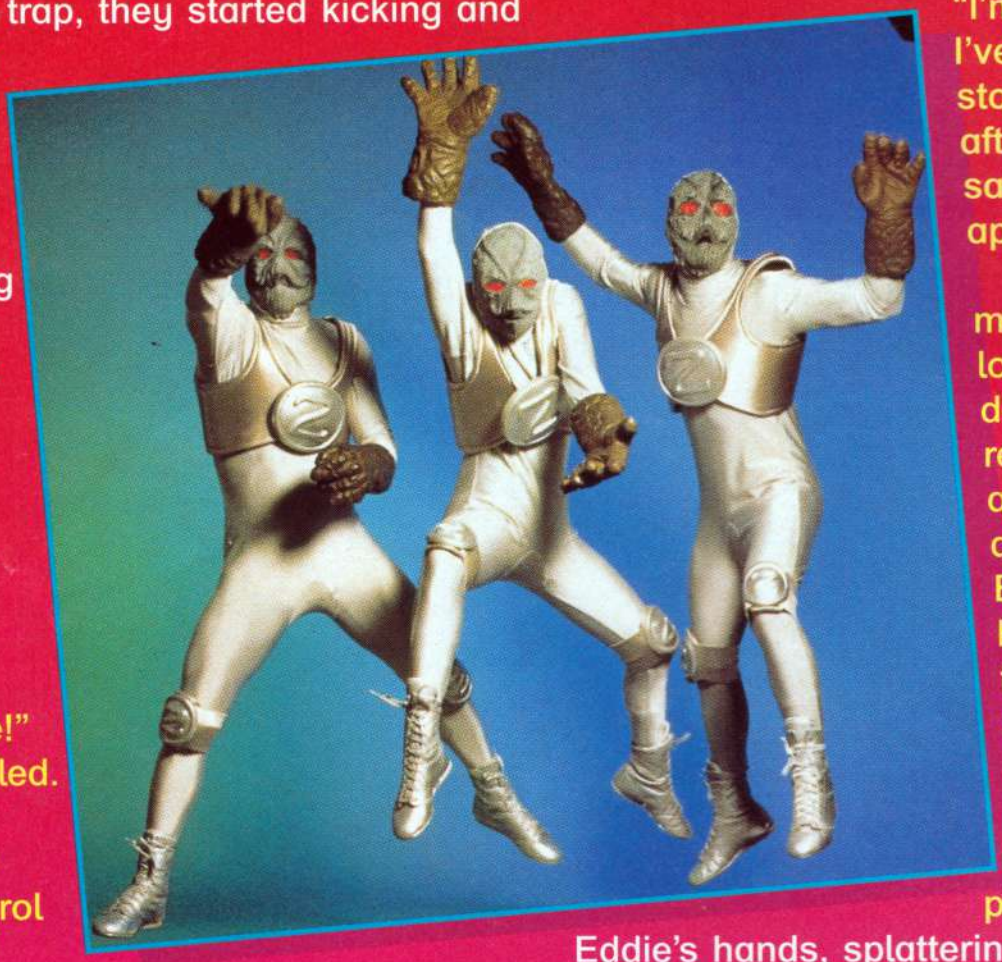
"Nothing seems to faze him!" exclaimed the Pink Ranger from her console.

The Blue Ranger watched as streams of tactical data scrolled across his monitors.

"Pudgy's exterior is certainly too tough to provide us with an effective weak spot," he said as the Megazord rocked under yet another of Pudgy's power punches. "But the Mega Scanners seem to be indicating that his insides may prove to be just a little more vulnerable."

The Red Ranger saw his chance. Megazord bent down, snatched up the Putty Patrol in its hand and lobbed them into Pudgy Pig's mouth. Pudgy swallowed instinctively.

Deep inside the giant porker, the Putty Patrol panicked. Thinking they were in a trap, they started kicking and punching blindly, trying to break out. Pudgy Pig turned a little pale and clutched his stomach. Ooooh, I've got such a bellyache!" he squealed. And the more the Putty Patrol thrashed around inside, the greener Pudgy Pig became until he suddenly let out a huge belch and exploded.



Then the Power Rangers dismissed their Zords.

"I guess Zedd bit off more than he could chew that time!" said the Yellow Ranger.

"Oh boy, Power Rangers! Am I glad to see you!" cried a relieved Bulk as he rushed out from the cave. "Er, I don't suppose you've got any pizza? I'm starving..."

Later, Ernie volunteered to restage the Pizza Eating Contest but Rocky shook his head.

"I'm sorry guys, I've just got no stomach for it after today," he said apologetically.

"That means you lose! I win by default! The record is mine at last!" crowed an ecstatic Bulk. He threw his arms into the air, triumphantly - only to to knock a tray of fresh pizzas from Eddie's hands, splattering himself and Skull in a shower of tomato puree, assorted vegetables, melted cheese and a variety of sliced meats.

"You're right, Bulk," laughed Rocky. "There's just no topping you!"

Hidden in this square are some of **Rita's favourite insults** - you can find them up, down and diagonally. See if you can get all nine! (solution upside down)

THE POWER TRANSFER

"I sure miss being a Power Ranger! I even miss those creepy looking putties! But working for world peace, hey - that's kind of cool!"

It was the Power Shock of the year! The sad day when Jason, Trini and Zack left the Power Rangers!

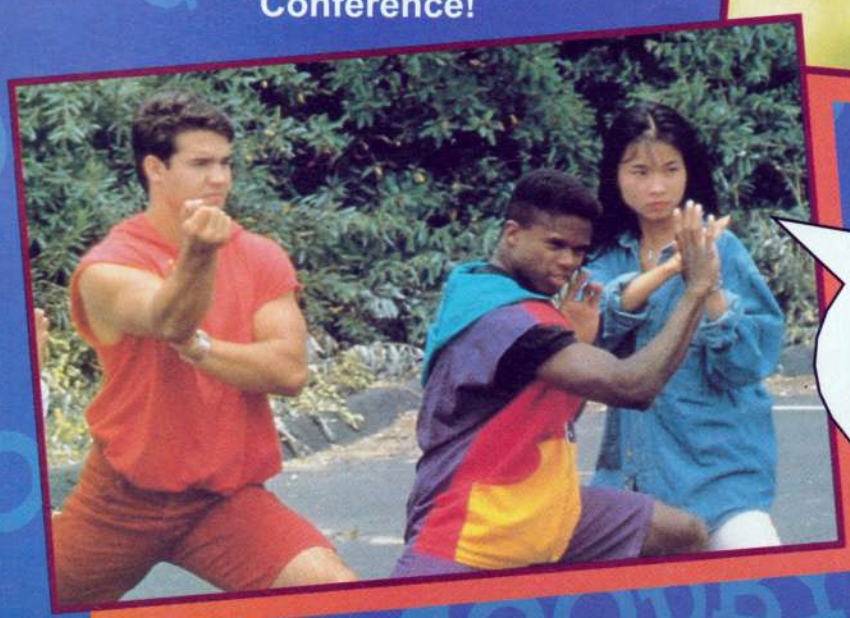
Was it a wicked plan of Rita's?

No! It was the opportunity to make the world a better place. They were chosen to represent Angel Grove and the United States at the World Peace Conference!



"The peace conference is a dream come true. There's nothing more important than doing your best to help our planet."

SERPENTERA

The Power Transfer is one of the most sensational episodes of Power Rangers for another reason...the incredible power and presence of Serpentera, Lord Zedd's gigantic, planet-destroying ultimate machine of destruction! The sight of Serpentera snaking through the air across a moonlit sky is a vision you can never forget!

ROCKY

THE NEW RED RANGER

THE CHARACTER

Rocky was one of three friends from Stone Canyon High School who accidentally discovered the Power Rangers' secret identities, but along with Aisha and Adam he promised to keep their secret.

P.R.OFILE

When Zordon sought new Rangers for his team, Adam and the others had already proven themselves worthy and Zordon was happy to pass the job of Red Ranger onto Rocky.

He comes from a big family and helped his mum bring up his six younger brothers and sisters. This taught him about responsibility from a very early age. As a break from his chores he began to study martial arts. Now, at 17 he's a black belt with awesome skills.

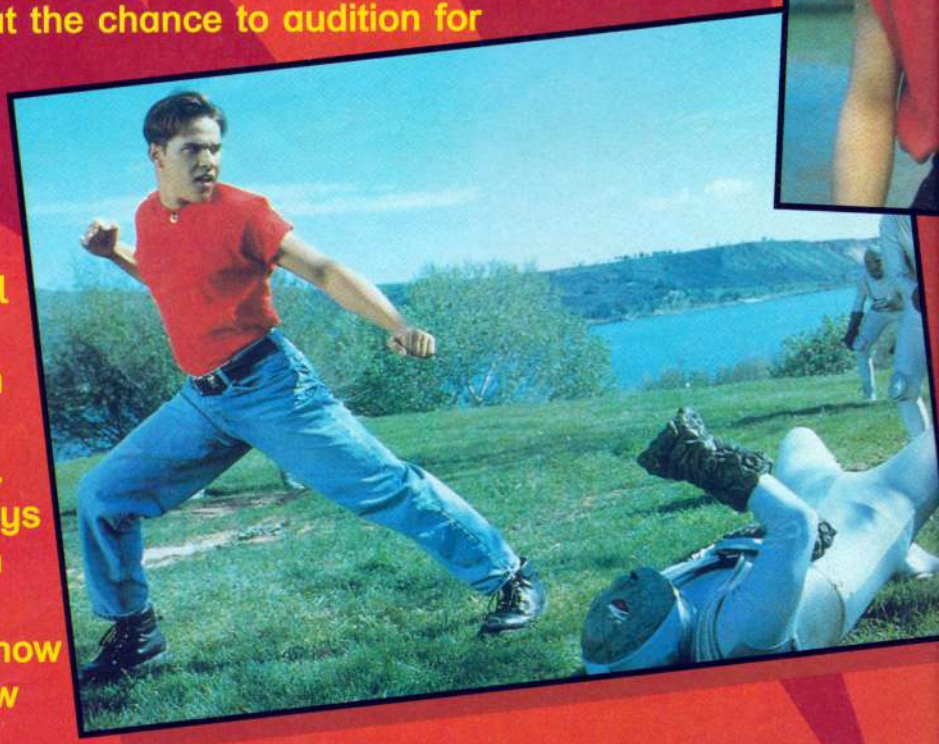
When he's not out defending the world, Rocky is passing on his martial arts knowledge to youngsters at the Youth Centre. He's the kind of guy everybody likes - especially the girls. But he never lets it go to his head. And what a cool head it is! His ability to make tough decisions on the spot make Rocky a tremendous asset to the Power Rangers.

THE ACTOR

Born in San Antonio, Texas in 1974 Steve Cardenas took up martial arts when he was twelve years old and is now a Second Degree Black Belt. He's won many tournaments including the Texas and Idaho State Championships. Not only that, he was also a member of a martial arts demonstration team that toured the country giving displays. And if all that wasn't enough, he was also part of the Nampa High School Cheerleading Team when they took first place in the Idaho State Championships!

But he does find some spare time to pursue his hobbies. He lists gymnastics as one of his favourites next to martial arts! But not only is he a martial artist he's also a talented artist too and loves drawing whenever he can find the time.

Then, as if his life wasn't busy enough, at nineteen he was teaching karate at school in Dallas when he heard about the chance to audition for the Power Rangers. His amazing gymnastic and martial arts skills landed him his first acting role. He so enjoys working on the Power Rangers show that he now



P.R.OFILE

wants to start a career as an actor. But as Steve says,"I don't want to be considered a martial arts actor, but an actor that can do martial arts if the script calls for it." And with all his talents who can doubt it?

A PUBLIC SERVICE ANNOUNCEMENT FROM SABAN INTERNATIONAL

TM & © 1995 Saban.

SABAN INTERNATIONAL

AND NOW A WORD FROM AISHA -

THE NEW YELLOW RANGER

Oh, this is so cool, getting a chance to write to you all! You know people think we're heroes just because we're **Power Rangers**, but that isn't true. Anybody can be a hero, even ***you***. You don't even need a mask. When Rocky, Adam and I first started helping Zordon we weren't even **Rangers!**

A hero helps people without having to be asked. And they don't do it because they get lots of medals and fame and stuff. They do it because they can. Because it's right. As a Power Ranger I have to fight a lot of icky monsters - I mean, do you really think I like doing that? Some of them are just sooo gross! But it's the right thing to do. And it makes me feel good knowing I'm helping out even if I can't tell anybody about it!

You want to know what it feels like to be a hero? Try letting your brother or sister play with that toy you wanted to play with. Tidy your room without being asked. Offer an old person your seat on the bus without being told to. See? It makes them feel happy and you get to feel good too - just like a real hero. Is that morphinomenal or what?

Go on, see if you can be a hero today. Remember, ***you*** have the power too, guys! Whoops, there goes my wrist alarm. Gotta fly. Zordon needs us. See ya!

THE GRIFFIN THUNDERZORD

When Lord Zedd's monster, Pirantishead, destroyed the original Dinozords, Zordon created a new range of Zords, more powerful than before. Zords with the power of thunder! This time they were based not on ancient animals that once ruled the world, but on animals from Earth's ancient myths.

The Griffin Thunderzord is piloted by the Yellow Ranger and is probably one of the most difficult Thunderzords to summon. The poor Yellow Ranger has to shout the tongue-twisting "Sabretooth Tiger Griffin Thunderzord Power" and all the while being charged at by giant monsters! It can't be easy.

Once on board the sleek black and yellow assault vehicle, the Yellow Ranger can make the Griffin Thunderzord's head slide back and it's body tip up ready to combine with the Black, Blue, Pink and Red Thunderzords to become Thunder Megazord! Or to be more precise - the Thunder Megazord's left leg.

The Griffin Thunderzord can also join with the Black, Blue, Pink and White Thunderzords to become Mega Tigerzord.

FINSTER'S MONSTERS

Welcome to my **Monster Page**, Earthlings! You know, even when I'm not making monsters I like reading about them. Earth myths and legends are so full of good monsters they give me lots of new ideas.

Take the Mummy for instance. Thousands of years ago, in Ancient Egypt, when somebody died they wrapped them in bandages and then buried them in tombs. Stories of fabulous wealth buried with them led to people breaking into the tombs. But there were other stories too. Stories about curses should people ever disturb the mummy's tomb!

These stories inspired several films. In one, the Mummy was Kharis, the Queen's favourite High Priest. When she died he had to be wrapped up like a Mummy entombed with her! (I was entombed with my Queen, Rita, for 10,000 years in the Space Dumpster. It's not something I could really recommend!)

Thousands of years later, an explorer opened the tomb and found some ancient, spooky writing and read it out loud. Anyone with a brain the size of Squatt's could have told him it was a spell to bring the Mummy back to life again, but explorers in horror films are especially stupid. Mind you if it wasn't for stupid explorers opening the Space Dumpster I wouldn't be here today! Anyway, The Mummy came to life to avenge the robbery of his Queen's tomb! As a monster it rated quite highly, but it couldn't stomp very well - I always think stomping is very important in a monster don't you? However, it did have a well terrifying shuffle (must have had its bandages too tight). SHUFFLE! SHUFFLE! it would go. Bullets and things went straight through it. SHUFFLE! SHUFFLE! It wouldn't stop.

Its only weakness was carrying off squealing girls that looked like its dead Queen, well that and the fact that the goodies always beat it in the end. But what do you expect? It was over 4000 years old and well past its sell-by date!
I'll be back with another mail order monster from my Autumn/Winter Creature Catalogue next issue!

RITA

Hello, my ghastly little goblins! I hope you're all having a rotten day! And if you *are*, don't be content with that... why not ruin the day for someone else? There's always something you can do, just to help make this world a less pleasant place to live in! Hahaha!

Now it's time to hear from you - my little creepy-crawlers!

Hello Rita,
I do not know why the Rangers bother with you and your beauty sleep. You are the most beautiful thing that has ever lived on your home planet. NOT. I think the Power Rangers are 100 times better than you, at least they've got more sense and a better brain than you. Ha ha.
From Natasha Kyriacou, Emily Kiriacou, Joanna Dixon, and Mario Dixon.

Hee hee hee! Thanks for giving me a good laugh, you four Power Pests! The Rangers have more sense than me? That's a joke! They run around dressed up like plastic gnomes all the time, talking to an out of focus wizard and a squeaky little robot fusspot! Very sensible behaviour! NOT. There, I got you back!

ZONE

Greetings, Oh Great and Wonderful Rita Repulsa! Although I am unworthy to even think about writing to you, I simply must tell you how wonderful you really are! You are so evil and nasty to those disgusting Power Brats, I love it! You have brilliant taste in men (not Lord Zedd). At the beginning of the film when IVAN OOZE appeared you said "At last a real man!" And I totally agree with you! Ivan Ooze is a mega babe! I also hate Goldar for going against you, because Lord Zedd appeared on the scene. But Finster has always been loyal to you, so he's great.
Keep the pesky Power Freaks busy!
Your faithful and humble servant,
Samantha Grimshaw
P.S. My brother aged (12) thinks you are the biggest and best babe in the universe!

Of course I am, Samantha! Your brother is only stating the obvious! My beauty is greater than anything on your planet. Only yesterday I heard someone say I looked like nothing on Earth! And I'm sure SCORPINA sends all that fan-mail to HERSELF! Of course, IVAN OOZE was a babe, but looks aren't everything - he let the Power Geeks blast him back to the ooze he came from! And they've never done that to me! So who's the biggest, baddest babe in the cosmos? Yours truly...RITA! This issue's *Monster Harvest*

brings you one of the most brilliant creations ever...a chip that bites back! Thank you, Kaleigh Watterson from Southport for a very FRY-tening idea! And take note of KEY BOARDER, composed by Peter Longhurst from Hurst Green. This musical monster plays a haunting tune that hypnotises the Power Pixies! Then he bashes them with his mace - that would be sweet music to my ears!

Keep sending your insults and monsters to: **Rita Zone, Mighty Morphin Power Rangers Magazine, Marvel Comics Ltd., 13-15 Arundel St., London WC2R 3DX.**
